

Genetic interaction of *Thm2* and *Thm1* shapes postnatal craniofacial bone

Erin E Bumann et al.,

Supplemental Table S1. Euclidean and Projected Measurements

Label	Bone/region	Euclidean or Projected	Angle or Distance
A	Snout angle	Euclidean	Angular
B	Anterior nasal width	Euclidean	Distance
C	Inter-orbital width	Euclidean	Distance
D	Inter-zygomatic arch width	Euclidean	Distance
E	Inter-maxillary width	Euclidean	Distance
F	Inter-(1 st) molar width	Euclidean	Distance
G	Nasal length	Projected	Distance
H	Facial height	Euclidean	Distance
I	Maxillary length	Projected	Distance
J	Premaxillary length	Projected	Distance
K	Facial region length	Projected	Distance
L	Upper jaw length	Projected	Distance
M	Zygomatic length	Projected	Distance
N	Mandibular superior length	Euclidean	Distance
O	Mandibular inferior length	Euclidean	Distance
P	Mandibular posterior height	Euclidean	Distance
Q	Ear height	Projected	Distance
